

A Decade of Giving Back

At Walmart, we know we can make the biggest impact on our communities by supporting causes that are important to our customers and our neighborhoods.

That's why, over the past 10 years, Walmart, Sam's Club and the Walmart Foundation have contributed more than \$10 MILLION to San Diego charities and community programs that are focused on promoting education, developing a strong, diverse workforce, improving health and wellness, creating economic opportunity, and fighting hunger.

As the decade comes to a close, we want to acknowledge and thank the hundreds of organizations and school groups we have partnered with in the last 10 years, including:

- Abraxis High School
- Allen Elementary School
