Midway Jeep Chrysler Dodge and its customers come through again for YWCA Battered Woman's Association

"Heeeeeerrre's Johnny!" Once again, Midway's Johnny Gomez, concierge director of service, orchestrated a team of Midway personnel to provide clothing, blankets, toys and canned goods for women and children who have been abused.

"This year's gift giving was far beyond our wildest dreams. Even with the downturn in the economy, good people seem to come to the front and give what they can. The goods were delivered in a huge Ram 1500 last Thursday to the downtown shelter," said Gomez.

You can still help to fulfill the need of the YWCA's Battered Woman's Association by bringing your gift items to the showroom at Midway Jeep Chrysler Dodge in Mission Valley at 777 Camino Del Rio South. Store hours are 9 a.m. to 6 p.m., Monday through Sunday.

Midway Jeep Chrysler Dodge thanks all the people who have helped this year and in the past.
